Hello Target Store Relations,
    Excuse me?
It has been eight days. I have not received AV evidence sought, nor response from the local store concerning actions and results. Please provide contact information of local security (phone, name and email).

    I will not accept evasion of these legal issues without favorable remedy. I am highly

I will not accept evasion of these legal issues without favorable remedy. I am highly offended by local security, especially in lieu of the incidents context within a protracted situation. I have issues to communicate with them about in this matter. You and they are obligated by law to deal with them responsibly! Send what has been requested!

What am I supposed to do with this reference
number? Do not evade responsibility! What is
the status, by actions taken, of my serious
complaint it refernces? What actions were
taken to correct and remedy?
